PURSUE YOUR CALLING
Scholarship Program

Pursue Your Calling Scholarship Program

The skills and expertise acquired through post-secondary education is a vital factor for the continued growth of MTS. Recognizing this, MTS has established the Pursue Your Calling scholarship program.

Pursue Your Calling is a scholarship program designed to encourage students to study in areas of high demand for the telecommunications industry. Scholarships will be awarded to grade 12 graduates and/or mature students entering their first year of full-time study in one of the eligible programs.

Benefits of the Scholarship

If selected, you will:

- receive \$1,000 to be applied towards your tuition for each year of your program, to a maximum of four years totaling \$4,000.
- be eligible for summer employment at MTS, which is an excellent opportunity to gain hands-on work experience in your chosen field of study.

- be provided with a mentor who will support and help you adapt to the corporate work environment. If you are employed as a summer student participate in scheduled MTS related activities with mentors and other students if you are employed as a summer student.
- be eligible for employee discounts on selected MTS products and services if you are employed as a summer student.

Selection

Pursue Your Calling scholarships are awarded based on your academic achievement (75% or over), and your responses to the short answer questions provided.

MTS values diversity. Consideration will be given to all eligible applicants: men, women, visible minorities, aboriginal people and people with disabilities.

Application

Applications are available from your school guidance counsellors, on the reverse of this brochure or online at mts.ca/scholarships

Please be sure to include with your application:

1. Transcript of your marks
