

MTS

We're with you.

Get the most out of your MTS High Speed Internet

All our personal High Speed Internet plans include:

- Unlimited internet usage – surf, download and stream all you want without worrying about overage charges on your bill.
- Free, unlimited Wi-Fi access at all MTS Wi-Fi hotspots throughout Manitoba. Visit mts.ca/wifimaps for a list of locations.
- Free online security software from ZoneAlarm® – determine if downloads are safe, detect and remove viruses, block inappropriate websites and more. Visit mts.ca/zonealarm to download.
- An MTS email address on MTS Mail. Visit mts.ca/mtsmail.
- 24/7 Technical Support. Call 204-225-5687 anytime, day or night.
- Access to MTS MyAccount. Sign up at mts.ca/myaccount.

Visit mts.ca/support to find answers to commonly asked questions, including billing & sales support hours and how to read your first bill.
